

Christenson & Fiederlein, PC is an attorney firm located in Flint, MI that specializes in Real Estate, Construction, Business and Corporate Transactions/Disputes, Probate and Estate Planning, Criminal Law/Drunk Driving, and Bankruptcy. As a successful law firm representing clients throughout Genesee County, Oakland County, and Michigan, they needed a website to be a real tool for their customers.

Their new website includes these new key features:

- Interactive google maps for their two office locations (Flint and Troy, MI)
- Blog (that the lawyers can post to by logging into the website)
- Google analytics (to track traffic, keywords, time on website, etc.)
- Interactive testimonials on the homepage
- Employee directory
- PDF documents to empower their customers with information and the forms they need
- Resources section with loads of great online tools and resources that their customers can use
